Amazon calculates a products star ratings based on a machine learned model instead of a raw data average. The model takes into account factors including the age of a rating, whether the ratings are from verified purchasers and factors that establish reviewer trustworthiness. Please try again later. Manashi Sajjan 5.0 out of 5 stars Just love it Was rather apprehensive about buying it without physically experiencing, especially sound quality. But was reassured by many international reviews. The product turned out to be much better than expected. Be it sound quality, feel of the keys, the way keys sound when pressed for long, everything is very satisfying. So much so that along with our son, we both parents also started learning to play basic tunes on piano for first time. I think this model is ideal for young learners as well as for those who want to start playing piano as a hobby. Only thing one needs to consider is the size of the keyboard. Its almost a meter wide. So check if you have enough space on a proper table or else go for a piano stand. For this price its fantastic !

Looks of keyboard is unbeatable, i purchased red color thats looks too dashing, i got a power adapter within the box but quality of adapter is bad. Well they are charging extra for bag but when i saw the bag first time Ive fallen in love with bag, thats original casio bag. I purchased this keyboard only in just 6450rs and thats not a big deal for this good keyboard. Was not able to change tone or change the value of any settings. En teclados yo tengo solo dos elecciones CASIO y YAMAHA. Este teclado ademas de tener un diseno bonito y compacto, esta hecho de buenos materiales, resistentes y agradables al tacto. Las teclas tienen un tacto suave y bajan y suben correctamente, el sonido es MUY BUENO, cosa que no me sorprende de los teclados CASIO. En mi caso compre el color ROJO y simplemente luce espectacular. Su uso es bastante intuitivo y lo recomiendo muchisimo para principiantes, tanto ninos como adultos. Lo volveria a comprar sin duda! Sorry, we failed to record

your vote. Please try again Perfetta come tastiera midi. Davvero immediata e facile da usare. Sorry, we failed to record your vote. Please try again Impecable, sonido muy bueno. Es verdad que el sonido es el mismo por diferente que sea la fuerza que ejerzas sobre la tecla, pero lo sabia antes de comprarlo, para eso esta el siguiente modelo, el 300. Cumple perfectamente su funcion y estoy encantada!!! Sorry, we failed to record your vote. Please try again No pesa nada, yo me lo llevo detras siempre. Tienes 400 tonos diferentes y puedes grabarte por ejemplo. Da buen servicio. Sorry, we failed to record your vote. Please try again Muy feliz, calidad precio No soy experta, pero para principiantes esta genial Sorry, we failed to record your vote. Please try again Pero para principiantes esta muy bien, esteticamente es muy bello, me he comprado color blanco. Sorry, we failed to record your vote. Please try again Sorry, we failed to record your vote. Please try again Scatola perfetta e protetta da diversi film.

Consiglio davvero il negozio, servizio perfetto anche in questo periodo. La tastiera e molto bella e solida, buon suono. Sorry, we failed to record your vote. Please try again Para first keyboard esta super bien!!! Sorry, we failed to record your vote. Please try again.
